

SPONSORSHIP & ADVERTISING

2026 Opportunities

Dear Chamber friends and supporters,

This year, the San Ramon Chamber of Commerce is **introducing a new annual sponsorship structure** that recognizes companies willing to lead, show up, and stand behind our local business community.

Organizations that commit to sponsoring all five Chamber signature events receive **exclusive marketing opportunities designed to build sustained awareness and position your brand as a visible supporter of San Ramon's economic vitality.**

Annual sponsors gain year-round exposure through logo placement on the Chamber website and in monthly newsletters, promotion of company events, individual social media recognition, and consistent on-site visibility at every signature event. Your brand is not seen once. It is reinforced across multiple platforms and moments throughout the year.

Publicly supporting the Chamber sends a clear message that your company believes in collaboration, local investment, and a strong business environment. Top-level sponsors receive added recognition through podium time at a sit-down event and a featured member profile on our website, creating a direct connection between your leadership and the Chamber's mission. **This structure rewards commitment, strengthens credibility, and keeps your organization front and center in the business community.**

Please reach out to me directly if you have any questions or would like more details about the new marketing opportunities we are offering.

Sincerely,

Danielle Cook, San Ramon Chamber President & CEO
